Which EXC Tours Are Right for You?

Choose the tours that interest you by using the icons as a general guide to the level of activity involved, and select the tours best suited to your physical capabilities. These icons will help you to interpret this brochure.

Easy Activity: Very light activity including short distances to walk; may include some steps.

Moderate Activity: Requires intermittent effort throughout, including walking medium distances over uneven surfaces and/or steps.

Strenuous Activity: Requires active participation, walking long distances over uneven and steep terrain or on steps. In certain instances, paddling or other non-walking activity is required and guests must be able to participate without discomfort or difficulty breathing.

Panoramic Tours: Specially designed for guests who enjoy a slower pace, these tours offer sightseeing mainly from the transportation vehicle, with few or no stops, and no mandatory disembarkation from the vehicle during the tour. As vehicles outside the United States are rarely lift-equipped and ramps are seldom available, a very small amount of walking will be necessary. The pace is gentle and taking your time is encouraged.

Limited Capacity: The number of people able to participate in this tour is strictly limited. Reasons for limiting capacity may include the number of transportation seats available, or the need to maintain a safe ratio of guides for hikes, fishing and water activities. Tours require a minimum number of participants in order to operate.

Meal: This tour includes a meal—lunch on daytime tours, or dinner on evening tours.

Snack: This tour includes a small snack or tasting of local specialties. The snack is not a meal.

Guests Using a Wheelchair or Other Mobility Aid Device

I have a disability. How do I know which tours will best suit me?

The tours are graded according to the relative level of activity they entail. The activity icons that appear at the beginning of each tour description provide a general idea of the level of activity to expect. Please see page 2 for specific information or speak to an EXC Tours specialist (1.888.425.9376). It is important to keep in mind that tour operators are subject to the laws of their own country with respect to accommodating the needs of guests with disabilities. In most foreign countries, the laws are not as stringent as those in the United States.

Will I encounter difficulties (dis)embarking the ship when it's in port?

Please see the on-board EXC Desk to help determine whether you can expect to encounter difficulties (dis)embarking the ship in a particular port of call. The decision whether or not to carry or provide other mobility assistance to a guest and their device (wheelchair, walker, etc.) up or down a ship's gangway, or on or off a tender boat, is at the sole discretion of the Captain, made based on his evaluation of guest and crew safety. We encourage you to bring a collapsible wheelchair as space limitations may restrict the ability of some tour operators to accommodate motorized mobility aid devices.

Frequently Asked Questions

What should I wear?

Comfortable walking shoes are recommended for all EXC Tours™. When you visit places of worship, we recommend dressing conservatively (no shorts or sleeveless tops), but casual clothing is perfectly acceptable. Dress in layers and have a jacket along. Bring an umbrella or raincoat, a hat and sunscreen.

What about meals?

Most tour departures complement the ship's meal service hours. In-room dining is available on board.

How will I know what time each tour departs?

The onboard EXC Tours Order Form in your stateroom will show departure times. This information will also be printed on your EXC Tours tickets, which you will receive on board. Approximate tour departure times are posted on our website at hollandamerica.com.

I am traveling with friends. Can we be accommodated on the same motorcoach?

The departure location for each tour is printed on

your EXC Tours tickets. If you wish to travel with friends, please arrive at the designated meeting place together. This will enable the staff to allocate space for you on the same vehicle.

Tour durations

The individual tour descriptions include approximate durations. To allow our EXC Tours managers flexibility to coordinate your time in port with meals and activities on the ship, exact departure times are published in the EXC Tours Order Form on board. For more information, please attend the EXC Tours Presentation or visit the EXC Desk.

Tour descriptions

Tour descriptions may change after printing. Information that becomes available after this brochure is published will be posted in the EXC Tours section of our website, which can be found online at hollandamerica.com. Significant changes will be noted on the EXC Tours Order Form on board. Tour schedules are subject to change.

Medallion Collection

Exclusive experiences designed to accommodate our most discerning guests, our Medallion Collection tours are each carefully chosen to provide an in-depth perspective. They offer unparalleled access to events and sights not normally readily available. First-class style and smaller groups for a privileged few.

Encore Collection

Been there, done that? Think again. The Encore Collection lets you discover what lies beyond the well-known attractions you've already seen. Barbecue with Argentine gauchos, bike the tree-lined boulevards of Barcelona, ride an Icelandic pony across a windswept beach. These tours showcase hidden gems, unusual angles and inside stories that will bring you back time and again.

World Wonders Collection

Natural treasures, architectural marvels, technical wonders: to the Seven Wonders of the World we add our own nominations based on decades of leadership in global travel—the sandstone city of Petra, the *moai* statues of Easter Island, and the Great Wall of China, among others. What they have in common is the ability to inspire awe.

Cruise with Purpose

For every global citizen who has ever dreamed of either giving back or paying it forward, the innovative Cruise with Purpose Collection is quite simply about improving our planet one voyage at a time. Assist in scientific research, bring much-needed supplies to an orphanage, participate in a fair trade scheme or cultural exchange, replant native forest or restore fragile habitat—your footprint will be light and your soul enriched.

The Collections of Holland America Line

What fascinates you? A cooking class with a local chef? A private car, complete with driver and guide, so you can explore near or far? A chance to encounter wildlife or view natural wonders up close? The Collections of Holland America Line represent a small subset of the tours you will find in this brochure. Each collection offers its own particular focus and is available only in select ports.

Signature Collection

This exclusive touring option for independent-minded travelers lets you completely customize and maximize your time ashore by reserving private transportation (along with an English-speaking driver and guide) in advance. Whether you travel by car or minivan, customized boat, classic floatplane or stretch SUV limousine, you choose the companions, sights and pace that perfectly suit you.

Booking on Board

The Signature Collection may be available for booking once you are on the ship, but this cannot be guaranteed. Please check with the EXC Desk on board.

To Whom is the Signature Collection Suited?

The Signature Collection is for solo travelers, couples, families, friends and special interest groups traveling together. This may also be an excellent choice for non-ambulatory guests. Value and flexibility are just two of

the advantages of first-class touring and luxury transportation. Privacy, comfort, safety, and personalized guide service are also yours to enjoy.

About the Transportation

Each type of transportation will be of the highest grade available in that port. Not all modes of transportation are available in all locations. For information about the transportation sizes and availability, please see our website at hollandamerica.com.

Also Included

The cost includes the service of a driver and English-speaking guide, unlimited mileage, road tolls, parking fees and bottled water, unless otherwise noted.

Not Included (Unless Otherwise Noted)

Guests' entrance fees for attractions are not included in the price due to the wide range of attraction possibilities, uncertain number of attractions to be visited, and varying number of guests participating. We strongly recommend

that you bring some local currency to cover such costs as credit cards are not readily accepted in all ports. Lunch will not be included on any tour, as many guests prefer to select their own dining venue.

Itinerary Planning

If you need help planning your personal itinerary, the EXC Guide™ and/or EXC Tours™ staff can assist you and will gladly answer your questions. This can be very helpful in many destinations where travel time, location, holidays, and opening hours of attractions need to be taken into consideration to maximize the efficiency of your time ashore.

Pricing

The cost of each type of transportation will be published online at hollandamerica.com.

Online Reservations

The fastest and easiest way for you to reserve and pay for your Signature Collection experience is online at hollandamerica.com. Please note the cost will be per mode of transportation (not per person), so only one person in the party needs to make the reservation. The price shown on the website is the total cost for the transportation, driver and guide (not a per-person price). In many ports, availability is extremely limited. We encourage you to reserve as early as possible.

Payment & Tour Vouchers

Your credit card will be charged after your reservation is confirmed. Next, start planning what you'll do with your Signature Collection experience in each port. On board the ship, you will be given a tour voucher and a form to advise the EXC Desk of the itinerary you have chosen.

Disembarking the Ship

In some disembarkation ports, a private vehicle, driver and guide can be used for sightseeing en route to the airport. When booking, please advise the amount of luggage for your party. Vehicle size and luggage space may limit the number of guests in the vehicle.

Expand the Experience

Make the most of your time in each port by combining different half-day tours to complete a full day of sightseeing. You might want to consider a morning cooking class and an afternoon walking tour; a morning stroll through a mosaic-lined church and an afternoon of sampling local wine at a vineyard; or even a bike ride and an evening cultural performance—all in one day! Whatever your interests, and whichever pace suits you best, there's a huge variety of tours to mix and match in this brochure. Please consult with an EXC Tours specialist at 1.888.425.9376.

Approximately 1½ Hours
Price \$39.95

After a safety briefing, set out with your guide on a **bike ride** that shows you the 'back of the house'. This **behind-the-scenes glimpse of Half Moon Cay** takes you past the staff housing units, offices, reverse-osmosis water plant, electrical generator, incinerator, bilge water processing plant, recycling center, maintenance and fabrication shop.

Pass Half Moon Cay Marina and the dining pavilion on the way to Pegasus Ranch, where you will take a brief rest.

Remount your bike for a short ride to the seaplane landing area for **refreshments**.

Leave your bike behind as your **hike** begins here. Keep an eye out for birds that are occasionally seen here, such as the Bahamas mockingbird, wood dove, white crown pigeon, tobacco dove, Cuban finch, banana bird, poor Joe and burrowing owl.

Climb the ridge, which boasts a first-stage lookout with an awesome view of Bone Fish Lagoon, Stingray Park and the Water Sports Rental Center.

Find yourself standing on the foundation ruins of a limestone dwelling from the 1700s. The vegetation in this area are trees of Madeira bark, pigeon plum, wild tamarind, Bahamian hardwoods, sapodilla, camalamy bark, seven-year apple, silver buttonwood,

love vine and sisal cactus. The latter is used for rope making.

Cross over a dividing wall that is hundreds of years old. On the far side you will pass additional ruins en route to the eastern lookout.

See magnificent views of the eastern tip of Half Moon Cay, Goat Cay, Long Rocks and Cat Island, some 18 miles away.

Wind your way back westward on the north face of the ridge. There are two ponds here, one brackish and one saltwater. Early settlers worked the salt pond to harvest salt for trading.

Follow the path down to a freshwater well used by pirates. You'll step through an amazing patch of lovely native orchids.

Continue to the main area of ruins where remnants of many limestone structures lie. The western tip of the island can be seen from here. The view includes the island of Eleuthera and your cruise ship.

Step through a cactus patch leading down a narrow footpath back to the lagoon.

Eco-Bike & Kayak Adventure

Departs: 8:30 AM, 10:00 AM, 11:30 AM, 1:30 PM
Approximately 1½ Hours
Price \$64.95

Begin this fascinating and insightful tour with a five-minute tram ride from the Welcome Center.

You'll meet your guide at the point where bike equipment is distributed.

After a safety briefing, set out with your guide on a **bike ride**, stopping first at **Stingray Cove**. Watch as trained divers interact with southern stingrays, feeding and petting them as you look on.

Continue to the **Half Moon Cay Island Nursery & Farm**. This eco-friendly facility is fed by a natural spring and makes use of composted landscaping clippings, seaweed, mulch and, of course, manure from the horse stables. Among the many species grown here are coconut and palms trees, raised for transplanting throughout the island, and indigenous flowering plants.

The vegetable patch produces local vegetables and herbs used in the local cuisine. Citrus trees, such as key lime, bitter orange, and grapefruit, grow fruit for juice, marinades and dressings. The chicken coop provides free-range eggs that are harvested daily from chickens fed with corn raised on the island's farm.

The on-site lime kiln provides the mineral that has been used in the construction of

Bahamian homes since the early 1700s -- it derives from reduced conch shells. The lime is used to sanitize the walls of rock abodes. Remnants of these dwelling can be viewed at the historical ruins along your route.

Snap a few photos of the horses at Pegasus Ranch; then, head to Half Moon Cay's **saltwater lagoon**, where you will trade your bike for a **kayak**.

Listen to a short safety briefing as you enjoy a **refreshment**; then select a life vest and partner-up for a kayak. Your 25-minute **kayaking adventure** takes you along the perimeter of the western edge of the inner lagoon, close to a protected mangrove species that plays a vital role in habitat formation for all kinds of marine life. The intricate root structure of the mangroves allows juvenile fish to survive where predators can't reach them. The seafloor has turtle grass and a sandy bottom.

Along the northwest quadrant of the lagoon, the rocky shoreline offers a vertical view as the limestone rocks reach more than 80 feet in height. This lagoon is an ecological wonder with an area of 1,400 acres. Its extreme diversity boosts many species of marine life that mate and spawn within this habitat.

Heading eastward along the shoreline and across to the southern coast close to Stingray Park, you'll finish your paddle at Water Sport Center #3. Freshwater showers are available here.

Board the tram for the five-minute ride back to the Welcome Center.

Notes:

Wear shorts, t-shirt, aqua shoes or sneakers/sandals you don't mind getting wet. Minimum weight is 80 lbs; maximum weight is 225 lbs. Minimum age is 10 years; maximum age 70 years.
